

HALLOWS EVE

Create spooky scenes with a library of haunted Halloween things

With a heaping library of haunted things, **Hallows Eve** conjures creepy scenes. A graveyard makes for a scary sight, Ghosts and ghouls will give a fright, Jack o' lanterns flicker with doom, Bats and fog pack scenes with gloom, A full moon dropped in the sky above, Will bring you close to the one you love, Before Halloween sweets are no more, Celebrate with **Hallows Eve** at [JixiPix Store](#), [App Store](#) or [Play Store](#) (CHOOSE ONE OR ALL)

Happy Halloween!

In the spirit of Halloween JixiPix presents a fun way to create spooktacularly creepy scenes with your photo.

With the **Hallows Eve** photo app, you can easily create spooky Halloween scenes by dropping in scary-fun mix and match objects like skulls, jack o' lanterns, ghosts, tombstones, glowing eyes, ghoulish hands and more.

Start by selecting an eerie scene from the included presets or hit the randomize button for unlimited frightful toning effects. These thrilling dark effects combined with haunted Halloween objects are sure to send shivers down your spine leaving you screaming ... for more. When you're done conjuring your ghostly scenes, share your Halloween spirit with your friends on Instagram and Facebook. You can even add a HAPPY HAUNTING from the library of objects then send your spooky creations as an e-card. If you love Halloween as much as the folks at JixiPix, it will be a sweet addition to your bag of FX tricks!
